

Nouria Energy Acquires F.L. Roberts Convenience Stores and Golden Nozzle® Car Wash Locations in Massachusetts and Connecticut

Nouria Energy Corporation announced that it has completed the acquisition of the F.L. Roberts & Company, Inc. convenience stores and car wash locations (headquartered in Springfield, Massachusetts) through Nouria Energy affiliated companies. The deal includes 26 convenience store locations with fuel including two truck stops, 22 Golden Nozzle® car wash locations, and a diner. This acquisition adds further scale to Nouria’s network and expands its geographic footprint into the important Western Massachusetts and Connecticut markets. The transaction brings the number of Nouria locations that it operates and supplies in Massachusetts to nearly 100 locations and a network of about 225 locations spanning from Hartford, Connecticut to Waterville, Maine. Furthermore, this acquisition expands Nouria’s footprint as a car wash operator to 49 locations.

“The nearly century-old Roberts family business has established tremendous convenience store and car wash brands and created a family culture with generations of loyal employees. At this time, I want to welcome them to the Nouria organization” said Tony El-Nemr, President and CEO of Nouria Energy Corporation.

“The acquisition of F.L. Roberts comes at a time when Nouria is solidly positioned for substantial growth” said El-Nemr. “The acquisition enhances our business profile with added revenue diversification and profit streams backed by strong c-store operations and an industry best car wash network”, he added.
